

The Vision

100,000 students from around the world can't be wrong. This is the number of lives that have been dramatically changed by the **International Miracle Institute**.

Every believer from every walk of life is called to live in the revelation of their identity in Christ and to exercise dominion in their realm of influence. To rule and reign on planet Earth, we must understand who we are, what has been provided for us, and how to operate in the supernatural ways of God. ***The International Miracle Institute... It's more than a Bible training curriculum. It's The Life Change Institute.***

Through the International Miracle Institute *Live*, the believer will experientially understand how to unlock revelation from God's Word. Taught by Drs. Christian and Robin Harfouche, this home study curriculum is empowering everyday believers—from the five-fold ministry gift, to the helps minister, to the business professional. It's for people just like you. **This is the Life Change Institute.**

The History

The International Miracle Institute (IMI) was established in 1994 to train and equip students of the Word of God for successful Christian living. The Bible says, "*Study to show thyself approved unto God, a workman that needeth not be ashamed, rightly dividing the word of truth.*" (2 Tim 2:15). Having started with just 17 students in-residence, IMI has since trained thousands of believers from every walk of life, throughout the United States and across the world. From the business professional to the five-fold minister, IMI is changing lives and producing positive fruit on every front.

Early on, Drs. Christian and Robin Harfouche recognized the need to send IMI to the nations in the form of a home study program. Out of this passion the International Miracle Institute Correspondence Program (IMICP) was born. Since this time, the IMI Correspondence Program and the IMI LIVE training center has equipped over 100,000 students.

Today, the International Miracle Institute is the official Bible School of the Miracles Today television program. Televised daily around the world to a potential viewing audience of 5 billion people, Miracles Today celebrates the unscripted victories and real-life miracle stories of IMI students who are making history worldwide.

Drs. Christian and Robin Harfouche remain dedicated to equipping saints for the work of the ministry. Having received a commission to mobilize the army of God, this husband and wife ministry team has invested almost three decades into the training of miracle working believers. Together with their crusade team, they travel worldwide conducting miracle-soul-winning crusades, witnessing every disease and sickness imaginable healed by the power of God and multitudes coming to the saving knowledge of Jesus Christ.

Drs. Christian and Robin Harfouche were ordained personally by Dr. Lester Sumrall

Rev. Matthew Ford.

Matt is the Fire It Up Bar Tender! He is in a continual state of Holy Ghost drunkenness! At times not too in touch with the natural realm, but it is all for the glory of God. Matt's passion is to release Heaven everywhere he goes and to see the Sons of God manifest.

Matthew was raised in the church from when he was a few weeks old. Matt's parents were active leaders in their church and instilled into their son a passion for God and His Word. Matt subsequently was trained in Youth Ministry, but his passion was to see all generations ignited with Holy Ghost Fire and Bridal Love.

In 1998 Matt visited a Pentecostal Church where he was radically baptised into the Holy Ghost and taken into Heaven for three days and nights. Prior to this he went through a season of "intensely looking for God". Matt would rise early and pray, knowing that surely this God He had read so much about actually wanted a relationship with him. Matt has great faith to bring people into their Heavenly identity.

While Matt was in the Heavenly realm he was given the gift of faith and the working of miracles. Three days after this encounter began, Matt was able to function relatively normally again, but with an overwhelming, tangible sense of God's love and presence on his life. This was that which he had been crying out for. The God of the universe had taken Matt up into heaven (Rev 4:1) and deposited His Holy Spirit inside of him. From this time on Matt began to operate in amazingly accurate words of knowledge and wisdom. Miraculous healing's and signs follow him when he ministers.

Matt is walking into his apostolic anointing as he plants churches and provides "covering" and accountability for other ministers and pastors, more info on this is available from www.fireitup.com.au .

Matt has been intoxicated on the Father's love since 1998, and at times is not able to function well in the physical realm due to the glory that rests on his life. He is a God pleaser and is about his Fathers business..... drinking in the bridal wine of Heaven... Jesus. Even though Matt has been in full time ministry for 11 years, he has kept himself relatively out of the church scene, only coming out of his "Ghost Cave" when directed to do so by the Father.

After Matt completed Theological Training he was trained in the prophetic by some of today's well known and respected prophetic voices in Canada and the United States. After this season Matt returned to Australia and continued his mystic journey with Jesus, preferring to spend countless hours a day in the presence of His King, rather than out "doing ministry stuff" and trying to build a ministry empire.

Matt is a strong believer that a persons character needs to measure up to their call, gifting and anointing's. During the last 10 years he has sat at the feet of Jesus, enjoying his relationship with Heaven. Matt has developed a very close relationship with Holy Spirit and loves to teach others about Him and show the church that God is a playful God, full of fun, joy and glory.

Matt carries an incredible grace and authority which is evident when he ministers. satanic high priests,

witches and demon possessed people frequently get delivered and set free in his meetings. Amazing miracles and healing's take place frequently, from cancers dissolving, bones changing shape and growing, deaf ears hearing and totally paralysed people walking again.. there is nothing that Jesus can't heal.

Matt has a really simple style of ministry. He gets whacked (drunk... filled with Holy Spirit) and ministers from the glory realm. He spends hours a day drinking in the presence of Heaven so that he can unleash the torrent of the Fathers love every time he preaches. www.matt.org.au

The Mandate

"Study to show thyself approved unto God, a workman that needeth not be ashamed, rightly dividing the word of truth" (2 Tim 2:15).

The International Miracle Institute is an end-time Bible training center created by Drs. Christian and Robin Harfouche. Having received a divine mandate to equip everyday believers to live successfully and to walk supernaturally, their vision is to train miracle workers—laborers—for the final harvest of souls.

"Lift up your eyes, and look on the fields; for they are white already to harvest" (John 4:35b).

As time rushes into eternity, believers are sensing an urgency to be trained in their divine call. Even within the local church, there is a growing hunger to experientially understand God's Word and to participate in the fullness of this Truth. Pastors, ministers and church leaders are crying out to God for wisdom, revelation and divine impartation so that they might effectively equip a generation. These individuals and saints from every walk of life—the business professional, the homemaker, the student, the graduate—are hungry to know more, to do more, and to fulfill the purpose for which they were created.

The International Miracle Institute is training a generation to live in victory while boldly proclaiming the message of Jesus Christ, with signs, wonders and miracles following.
